MEMORANDUM FOR: Commanding Officer, Central Records Facility, Fort Holabird
THRU : Assistant Chief of Staff, Intelligence, DA
SUBJECT : Revisions to Intelligence Subject Code

25X1A

1. As requested by Major J. Bonfiglio of your staff to [REDACTED] we are enclosing additions and supplements to CIA's Intelligence Subject Code so that your copies of the code book can be brought up-to-date. 6 copies of the new 400 Section, the first page of the 700 Section, and several revisions to the 600 Section are enclosed. Because we are short of copies of our supplements, there are only 2 copies available of each of the 13 supplements enclosed.

2. These additions and supplements - and we will send them to you regularly as they are published - will keep your ISC's current until an entirely new edition appears.
